## Summer Camp 2020

## **SOAK UP THE SUMMER FUN** **with Andrews Academy Summer Camp!**

We are pleased to have your child as a camper in our summer program. We are confident that he/she will have a wonderful experience learning new activities, making new friends, and staying engaged in fun activities.

Summer 2020 is going to bring about some new challenges, but we are confident and ready to provide the camp experience that you and your child have been anticipating. Andrews Academy has developed some new procedures to keep all campers safe and healthy while providing a quality program. These new policies were created with the guidance of the Center for Disease Control, St. Louis County, State of Missouri, and the Hope/Andrews Administrative Team.

**New Operating Hours** will be 7:30a.m. to 5:30p.m., June 15 to August 7, 2020,  
Breakfast is served 7:30a.m. to 8:15a.m.

**Drop off and Pick up procedures** will now include a daily health screening completed by our staff at the curb. Parents should stay in their car and will not be entering the building. Detailed Drop off and Pick up information is included in this packet.

**Cleaning and Sanitation** – Additional cleaning and sanitation is scheduled throughout the day by our custodial staff and our counselors. All indoor areas as well as the playground equipment will be cleaned and sanitized after each group. All cleaning and sanitizing products are approved by the Center for Disease Control for summer camp usage.

**Camper and Staff Safety** – All campers and staff are required to complete the health screening each day. All staff are required to wear a mask. If you would like your child to wear a mask please label the mask with your child's name and include a labeled Ziploc bag for storage. Handwashing times are scheduled throughout the day and hand sanitizer is readily available in all camp areas.

### **Programming**

- Group sizes have been reduced and will have 2 counselors per group. Campers and staff will remain in the same group throughout each session.
- Individual supplies will be given to each camper instead of community supplies whenever possible.
- Additional rooms have been set up for activities including a game room, music and movement room, discovery room, and Makerspace. These rooms will be sanitized after each use.
- Outside time will be increased and encouraged for all groups. The playground, blacktop area, soccer field, swings, fire pit area, woods, and Millennium Park will all be utilized for outdoor play. Sanitizing all equipment will take place after each group.
- Campers and staff will practice social distancing at all times.
- No all camp activities.
- Lunch will be in cafeteria with assigned seats for social distancing. Campers will be handed their tray, utensils, and drinks instead of them serving themselves.
- Campers should bring a water bottle to camp each day that can be refilled.
- Campers should only bring items on the supply list. Each camper will be assigned a locker for their belongings. No locks are needed.
- We are hoping to have the swimming pool ready by June 22. Each group will have a daily swim time. Water activities and sprinklers are also planned to encourage more outdoor time.

## **ANDREWS ACADEMY SUMMER DROP OFF AND PICK UP PROCEDURES**

It is our goal to always provide a quality program and safe place for your children at Andrews Academy Summer Camp. With the guidance of CDC, new health and safety guidelines will be implemented beginning with our drop off and pick up procedures.

Please allow additional time for drop off and pick up of campers. To expedite the process, each family will be given a name sign (on the first day) to put on the dashboard of the passenger side. Please display your name sign at arrival and dismissal.

### **Prior to Arrival**

#### **Assess your child at home**

- Be aware of any signs of illness in your child
- Take your child's temperature
- Keep your child home if they are not feeling well and/or have a fever

### **Upon Arrival**

***Andrews Academy opens at 7:30 a.m.***

Please enter the circle driveway in front of the school and pull up to the most forward space. We ask that you stay in your car and a staff member will come to the passenger side to do a health screening for your child. All children must pass the health screening to be admitted into the building.

A staff member will conduct a visual assessment of the child for signs of illness which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue or extreme fussiness.

The parent/guardian will be asked the following questions. Does your child or any family members have:

- A fever over 100.4 degrees Fahrenheit (38.0C) or above
- Cough
- Sore throat
- Difficulty breathing or shortness of breath
- Any muscle or body aches
- Any other indications of illness
- New loss of taste or smell
- Any known COVID-19 exposure to a person who has a test confirmed diagnosis of COVID-19 in the previous 14 days?
- Has anyone traveled within the last 14 days in a state or country identified as a hotspot for COVID-19?

The child's temperature will then be taken and recorded, by a staff member, with a no-touch forehead thermometer. Once the child has successfully completed their health check, they will be directed to go to the hand sanitizing station and then enter the building. Staff members will then escort your child to their classroom or designated area.

\* \* Children showing any signs of illness or fever, or if the parent answers "yes" to any of the above questions, will not be admitted into the school. Your child may return to camp once they are symptom-free for a minimum of 72 hours without the use of fever reducing medications (Tylenol or Advil) before returning, or as deemed necessary based upon CDC recommendations.

## **Late Arrival**

Pull up alongside the curb, stay in your vehicle and call the office (314-878-1883) upon your arrival. A staff member will come to your vehicle for the health assessment.

## **Dismissal**

If you need to pick your child up prior to 3:30 p.m., pull up alongside the curb, stay in your vehicle and call the office (314-878-1883) upon your arrival. Your child will be escorted to your car. If possible, please inform the office of any early dismissal in advance.

For regular dismissal at 3:30 p.m., please enter the circle driveway and pull up to the most forward space. There will be staff members directing you where to park. Your name sign should be on display in the front passenger side. Please stay in your car. Staff members will call for your child to be dismissed and they will be escorted to your car.

***Andrews Academy closes at 5:30 p.m. Late fees will apply.***

## **CDC Discourages Parents/Guardians/Visitors from Entering the Building**

If circumstances require you to enter the building, you will need to go through a health screening prior to entering. Please call the office at 314-878-1883 upon your arrival and you will be directed on the procedure to follow. Please note for the health and safety of all of the children, no one is allowed to enter the building without completing a health screening and all adults must wear a mask in the building.

# Outdoor Recreation Themes

## Discover America's National Parks

Take a virtual tour this summer to explore the diverse beauty found across the United States in our park system. Through photos, videos, webcams, and Skype our campers will experience breathtaking views, mountainous regions, wildlife, waterways, monuments, and much more. They will find the best places to hike, bike, camp, rock climb, boat, fish, and possibly even plan your next vacation. These inspirations will lead us to find the same beauty and experiences here in Missouri. We will hike, bike, fish, creek walk, float, and boat. As our campers experience the outdoors they will understand their role in protecting our natural world.

**Week 1 – Hiking and Camping**

**Week 2 – Lakes, Creeks, and Streams**

**Week 3 – National Monuments**

**Week 4 – Historic Towns**

**Week 5 – Presidential Sites**

**Week 6 – Fishing**

**Week 7 – Caves**

**Week 8 – Boating, Floating, Rafting**

**Week 9 – Wildlife**

**Week 10 – Sand and Sea**
