ANDREWS ACADEMY SUMMER CAMP

Andrews Academy Summer Camp is an activity filled, fun experience tailored to your child's interests. Our energetic staff has designed our day-camp program to enrich your child's experiences by building skills and self confidence through activities and imaginative play with new friends. We pride ourselves on creating a warm, caring, and fun-filled environment for your child.

Our camp program gives you the

flexibility to choose from one week up to ten weeks for the full camp experience. You and your child can choose from our diverse list of activity packages. Older campers are given the opportunity to select up to two packages (one for each session) to broaden their summer experience. Our activity packages are customized to children's particular interests.

No summer experience is complete without swimming, which is why all activity packages include recreational swim time in our

guarded pool weather permitting.

Camp begins each morning at 9 a.m. and runs through 3:30 p.m., Monday through Friday. Our summer camp includes extended daycare, beginning at 6:30 a.m. and ending at 6 p.m. Camp fees include breakfast, lunch, snacks, craft materials, most field trips, and extended daycare.

Andrews Academy offers a spacious campus with a generously shaded playground, pool, access to wooded nature trails, and indoor facilities that allow continuous camp activities during inclement weather.

Join us for some summer fun, excitement, and adventure.

INSTANT ALERT NOTIFICATION SYSTEM

Summer 2020

Dear Summer Camp Parents:

Andrews Academy uses a system called Honeywell Instant Alert[®] for Schools to relay information quickly and effectively to families.

Instant Alert for Schools is an automated notification system. Within minutes of an emergency, school officials can deliver a message to parents or guardians by telephone, cell phone, e-mail, pager or PDA in any combination. **In addition to emergencies, you would be contacted via Instant Alert if Andrews Academy would need to close during the day due to no power, no water, etc.** The system may also be used to for summer camp event announcements or reminders.

Instant Alert is Internet based, allowing each family to maintain a secure, password protected online profile. **On the reverse side of this letter** are instructions for accessing the system and creating your profile. You can log into your profile at any time to update your contact information. Maintaining the accuracy of your profile will increase the ability of the school to keep you informed.

Your online profile will enable you to:

- Input your personal contact information
- Select which type of school information you would like to receive on each of your contact devices
- Add contact information of other caretakers of your children, such as a grandparent or neighbor

The system will be ready for summer camp use no later than May 1st. If your Summer Camp registration form is received after May 1st, you will need to allow a few days for your information to be entered before attempting to access the system. Information from last summer has been retained for returning campers, but please check that your contact information is up to date. Current information for families who attended Andrews Academy during the school year will be transferred for summer camp use.

Go to **<https://instantalert.honeywell.com>** and if you need assistance with your profile, click on the **Help Request** link in the lower right hand corner of the page. Be sure to set your e-mail spam filter to receive e-mail from Honeywell.com. If you have any questions, please give us a call.
